These are two of the most immaculate cottages we have seen, a pair of private sanctuaries for couples who need space and luxurious comfort for an intimate escape or anniversary celebration. The big Queenslander-style bedrooms feature a gracious combination of rich red timber floors and furniture accented by creamy textures and hues. From the divinely crisp linen of the bed, you face out on to a private verandah and garden setting.

Most guests can't wait to head for the big, bubbly double-spa bath for some blissful

hydrotherapy. Later, there are soft, fluffy bathrobes to wrap yourselves in and be fully relaxed. In the mornings, you have all the time in the world to replenish yourselves on a full breakfast, surrounded by the scents and sounds of the immaculate garden.

But it is the hosts Rob and Beth who bring the true magic, rather like little wish-elves discretely catering to your every need. And with the combination of the hosts' expert wedding co-ordination, the magical garden chapel and the perfect wedding night hideaway it is little wonder Reid's Place has such a superb reputation as wedding venue and honeymoon nook.
